

ACES NOTIFICATION # 55

Attention: All Employers

Please be advised that on January 1, 2005, the ACES batch schedule resumed normal daily pick-up time of 3:00 p.m. We apologize for the late notification.

ACES Batch Process

The ACES batch process is an overnight process. ACES reports begin generating approximately 30 minutes after the batch is picked up (3:00 p.m.). Those users who work later than 3:30 p.m. may receive their Summary Report and be able to view their Detail Report prior to their close of business. However, the entire batch process does not complete until early the following morning. Until the entire batch process is completed (i.e., the following business morning after batch submission), users will NOT be able to view agency errors or any updated transactions in Participant Inquiry.
